

Press release

SPORTS DEPARTMENT OF ODISHA GOES ONLINE FOR ITS FACILITIES

ODISHA, FRIDAY 22nd FEBRUARY 2019: With the launching of web automation services, the Department of Sports & Youth Services will have all the facilities under its umbrella available online.

Launching the portal, **Mr. Chandra Sarathi Behera, the Minister for Sports and Youth Services, Government of Odisha**, said that this step will enable the department to completely switch from cumbersome and lengthy manual process to swift online one. This also will ensure better monitoring administration of the department as the portal will have a single database of sportspersons across the state.

The automation will ensure better monitoring the hostel inmates and their performance tracking will become easy. As its online, it will help in quick information dissemination through the portal and enable automated reporting for effective management & transparency. This will help the media to get information on all sports activities and also updated photographs in the gallery for mass use.

Mr. Vishal Dev, Commissioner - cum - Secretary, DSYS and Government of Odisha, speaking on the launch of the web based services said that “It will enable the department to do away with the time consuming Offline/Manual process & checks duplicity in case of financial assistance provided to sports person by the government”
