Sub: Revision of Mini-Stadium Scheme - Extension to Urban Areas

Ref: This Office Letter No. 12054(30) Dated 22-09-2014

Madam/Sir,

In inviting a reference to the above mentioned subject, I am to say that the State Government has been pleased to extend the Mini Stadium Scheme to urban areas of the state from this financial year with the following guidelines.

1. Funding under this scheme will be made only for protection and improvement of existing playfields. No funds will be given for development of new playfields.

2. Existing playfields which are under administrative control of Government Departments or Government organizations including Government Educational Institutions shall be eligible for funding under this scheme. Existing playfields under private ownership or belonging to private/government companies or private educational institutions shall not be covered under this scheme.

3. One-time funding to the tune of Rs. 20 lakh will be provided by the Sports & Youth Services Department for a unit-cost of Rs.25 lakh per playfield. Remaining Rs. 5 lakh has to come from MLALAD/MPLAD Fund. However, Hon’ble MPs/MLAs may contribute more than the minimum stipulated amount of Rs. 5 Lakh. Similarly, the district administration may also dovetail extra funds from other sources.

4. Maximum number of playfields to be taken up each year, subject to availability of funds, will be :-

- 5 Municipal Corporations (4 per Corporation) - Total 20 playfields per year
- 40 Municipalities/NACs (1 per Municipality/NAC) - 40 per year
(All Municipalities/NACs will be covered with one Mini-Stadium in 3 years time)

Cont. P/2
5. Collectors will select the projects in consultation with Hon’ble MPs/MLAs and ULBC concerned. List of selected playfields shall be sent to this Department for necessary action under the signature of the Collector in the prescribed format (Annexure – I).

6. Playfields involved in any kind of litigation shall not be covered under this scheme till final disposal of the litigation.

7. Playfields which are often used for non-sports activities such as hosting of cultural functions, public meetings, etc. shall also not be covered under this scheme.

8. The playfield protection and improvement work shall be executed by one or more suitable government executing agencies to be decided by the Collector.

9. Funds will be provided to the Collector by this Department who will place it with the Government executing agencies selected for the work.

10. Some of the priority items of works under this scheme are given below.

   i. Low height boundary wall for protection of the playfield
   ii. Land leveling
   iii. Soil improvement
   iv. Drainage
   v. Goal posts, Volleyball posts, Sand-track for running, jumping pit, etc.
   vi. Changing room, if required

11. Construction of Gallery, Shopping units, etc. shall not be taken up out of Rs. 20 Lakh to be provided under the scheme by this Department. However, this Department will have no objection if such items of work are taken up under some other sources of funding such as MPLAD/MLALAD. This is also applicable to Mini-Stadiums in rural areas, in partial modification of the Mini-Stadium guideline communicated vide the letter under reference.

12. District Sports Officer of the concerned district shall be the nodal officer for the Mini-Stadium Scheme, both for rural and urban areas.

You are therefore requested to submit proposals for ULBs of your district to be covered in 2015-16 within a fortnight for consideration for sanction.

Yours faithfully,

Commissioner-cum-Secretary

Memo No: 8/474/20(S&Ys)
Bhubaneswar
Copy forwarded to all District Sports Officers for information and necessary action.
